Press Release – Referral scheme for existing customers

Monday, 11th August 2008

The Starjammer Group is pleased to announce to its existing customers our referral scheme. For every customer that you recommend us to, we'll give you a 10% off voucher to offset against your next invoice, subject to successful completion of works.

Much of our work comes from client testimony and referrals, and we wanted to give something back to our loyal customers by means of a thank you. These will be arriving in the post this week, so keep an eye out for the vouchers, keep them safe, and redeem them when necessary against your next invoice with us.

We look forward to your enquiries, future custom and working with you soon.
